Become a ZU Partner Challenge Champion

Zayed University has revolutionized undergraduate education by introducing interdisciplinary degrees that prepare students to thrive in a dynamic world. A unique feature of the student experience is the Partner Challenge initiative, which engages students in real-world projects starting from their first day at university and throughout their degree.

The Partner Challenge Program, launched in 2021, seeks to develop effective and structured connections between leading organizations and talent. It provides a unique opportunity for private and public sector institutions to foster the development of the UAE's future leaders.
