Born: Jordan, 1963.

Citizenship: Jordanian.

Education

Ph.D., Illinois Institute of Technology, USA, 1994, Computer Science

M.SE., Middle East Technical University, Turkey, 1988, Computer Engineering

B.S., Yarmouk University, 1985, Computer Science

Professional Experience

Zayed University

2008- Present, Associate Professor

2001-2008, Assistant Professor

Jordan University of Science and Technology (JUST), Jordan

2000-2001, Assistant Dean, School of Computer and Information Technology

2000-2001, Chairman, Computer Science and Information Systems Dept

2000-2001, PT Lecturer, New York Institute of Technology, Jordan branch

1999-2000, Assistant Dean, Faculty of Science & Arts

1998-2000, Assistant Professor, Computer Science and Info. Systems Dept

1996-1997, Assistant Director of Computer Center

1995-1996, Assistant Professor, Applied Mathematics Dept

Chicago State University, Chicago, USA

1994-1995, Visiting Assistant Professor at Dept. of Mathematics and
Computer Science

Ray College of Design, Chicago, IL, USA

1994-1995, Part time Lecturer

Bennett & Associates, Chicago, IL, USA

1993-1994, Macintosh Computers Specialist & Programmer

Illinois Institute of Technology, USA

1992-1994, Teaching Assistant and System Manager for IBM RS/6000

CRC Company, Amman, Jordan

1989-1990, Programmer and Systems Analyst

Research Interests

Publications and Presentations

Dr. Tubaishat has authored and co-authored *one* text book, one chapter book, *eleven* journal papers, and *seventeen* conference papers. He has a total of *twenty* publications since he joined Zayed University in 2001. All papers are *blind* reviewed. He served as a program reviewer for *two* international journals, *twenty six* conferences, chaired *five* conferences sessions, attended *ten* professional workshops, and delivered *four* invited talks in international professional gathering.

Books and monographs

Lansari, A., Tubaishat, A., and Al-Rawi, A.

"Using Learning Management System to Foster Independent Learning in an Outcome-Based University: A Gulf Perspective", Book Chapter in *Information in Motion: The Journal of Issues in Informing Science and Information Technology*, Informing Science Press, ISBN 9781932886283, Edition 2010, 546 pages, pp. 073-087, Author: Eli Cohen.

Dwairi, R., Hmedi, H., Tubaishat, A., and Abdel-Rahim, E.

"*Computer Skills*". An introductory book in computers and software applications (in English). Publisher: Jordan National Library, No. 96/1/2000. 1st Edition 1997, 2nd Edition 1999, and 3rd Edition 2001. Adopted by JUST in Jordan as a text book for CS introductory course. No. of pages 334.

Indicators of the Quality of Research Output

- ✓ The *Computer Skills* book (No. of pages 334) was adopted by Jordan University of Science and Technology (JUST), Jordan to be *the* textbook for an introductory computer course. The authors have made two major revisions for this book.

All journal and conference papers are refereed by international *blind* review panel and are published in recognized venues:

- ✓ Five papers are published in *Journal on Issues in Informing Science and Information Technology*, ISPress, USA. This journal is indexed by several index directories including ULRICH Periodicals Directory . Recently, this Journal is rated 2nd in a new research of ranking Scholarly Outlets for Information Technology published by the American Society for Engineering Education (ASEE), 2007. The acceptance rate in this Journal is 30%. http://www.icee.usm.edu/ICEE/conferences/asee2007/papers/687_RANKING_SCHOLARLY_OUTLETS_FOR_INFORMATIO.pdf.
- ✓ One paper is published in *WSEAS Transactions on Computers*. This Journal is indexed by 31 indexing directories including ULRICH Periodicals Directory, ELSEVIER Bibliographic Database, and EBSCO. The acceptance rate in this Journal is 23%.
- ✓ One paper is published in *Journal of Mathematics and Computer Sciences*
- ✓ Two conf. papers are published in the prestigious IEEE conference proceedings in USA
- ✓ The remaining papers are published in proceedings of international conferences in the following venues: eleven papers in USA, one in Canada, one in Iran, one in Lebanon, and one in Jordan

Professional and Scholarly Activities at Zayed University (2001-Present):

Teaching

✓ Awarded by college students *the best* IT instructor in Abu Dhabi campus in the Academic years 2005-2006, and 2006-2007, 2009-2010

- ✓ Played a vital role in the implementation of the *Hi-Tech Crime Investigation Certification Program* to Abu Dhabi Police, a ZU/George Washington University collaboration
- ✓ Taught ICDL to UAE K-12 nationals during Summer of 2004, and 2005
- ✓ Taught computers to K-12 nationals in English Challenge Summer Camp 2005, 2006, and 2007, and 2008
- ✓ Developed and taught (for free) an *Intensive Oracle Course* to College graduates who did not have the chance to learn this technology during their studies at ZU because it was not part of their course requirements
- ✓ Designated by the IT college to receive the exemplary salary increase in 2005-2006
- ✓ Taught a wide variety IT courses from introductory courses through senior levels: CIT210 (Introduction to IT and Systems), CIT215 (Computing Foundations), CIT320 (Introduction to Object Oriented Programming), CIT365 (Database Systems I), CIT460 (Systems Analysis and Design), CIT470 (Applied Database Systems), CIT475 (Software Engineering), CIT499 (Graduation Project), CIT490 (Internship), and CIT500 Computer Platforms
- ✓ Established and taught the *Software Engineering Best practices Laboratory* using Rational Suite Enterprise as part of CIT470 (Applied database Systems)
- ✓ Among the first faculty members to implement all courses on the *Blackboard* since 2001
- ✓ Coordinated four courses between the two campuses. As course coordinator, I played a major role in developing the curriculum especially for CIT365 (Database Systems) and CIT215 (Computing Foundations)
- ✓ Acquired positive student assessments regarding my teaching. The overall average of my SELE is always *above* the College average and University average (except for Fall'03, and Spring '04). My SELE is improving constantly semester by semester.
- ✓ SELE results are constantly increasing semester after semester. Students generally comment *positively* on my class presentation, organization, fairness, and availability. Some of the negative comments are that he covers too much material, exams are hard, and there is too much homework.
- ✓ Successful implementation of the *Grade Deflation Program*. My average grade distribution is always within the college and ZU target

National (UAE), University and College Services

Dr. Tubaishat contributed extensively towards the development and expansion of ZU and the College of Information Technology. He served on *twenty five* university and college committees and task forces (listed below), and participated in *six* workshops and summer camps to *teach UAE nationals*. He lead a project with *ZU Smart Square* to develop a *Content Management Strategy for Fujairah Municipality*, part of the *e-Government project in UAE*. Served in one of the study groups for *ZU candidacy to Middle State Accreditation*. He also served as an advisor to *IT Student club* in Abu Dhabi campus for the three years. Under his leadership the club was very successful in organizing several events, seminars, and field trips. Because of his valued contributions to these services, Dr. Tubaishat has received *Thank You* letters from the Provost, Vice President, and Students Service offices. Here is a list of these services:

- ✓ E-Government project in UAE , consultant to ZU Smart Square to develop a Content Management Strategy for Fujairah Municipality (summer of 2005)
- ✓ ZU & Abu Dhabi Educational Zone English Challenge Summer Camp, taught UAE K-12 students (instructor, 4 yrs)
- ✓ ZU & Abu Dhabi Educational Zone ICDL Summer Camp, taught UAE K-12 students (instructor, 2 yrs)
- ✓ Member of study group: Assessment of Student Learning for ZU candidacy to Middle State Accreditation (1 yrs)
- ✓ Member of a task force on the reconvened ZU critical thinking and Quantitative Reasoning task force (1 mnth)
- ✓ ZU Student Affairs Standing Committee (member 5 yrs , recorder 2 yrs)
- ✓ College Student Affairs Committee (chair 3 yrs, member 5 yrs)

- ✓ Students' Honor Societies and President's Award Committee (chair, 1 yr)
- ✓ IT student club for Abu Dhabi campus (advisor, 3 yrs)
- ✓ ZU Common Course Syllabus Committee (member, 1 yr)
- ✓ College Common Course Syllabus Committee (member, 1 yr)
- ✓ ZU Blackboard mentor (mentor, 3 yrs)
- ✓ College Curriculum Committee (member, 1 yr)
- ✓ ZU Int'l Conference: TOMORROW'S TEACHER: Success Through Standards (presenter and volunteer, 1 yr)
- ✓ ZU Academic Festival (member, 1 yr)
- ✓ College Employment Program Committee (member, 1 yr)
- ✓ ZU Major Fair of Abu Dhabi Campus (member, 1 yr)
- ✓ AD Tech Fair/Independent Learning Day (presenter, 1 yr)
- ✓ ZU Leadership Institute (facilitator, 1 yr)
- ✓ ZU CTL Advising Committee (member, 1 yr)
- ✓ ZU Women as Global Leaders Int'l Conference (volunteer, 2 yr)
- ✓ College Field Trips (chaperone and organizer, 8 trips)
- ✓ CEPA Exam (volunteer, 3 yrs)
- ✓ Prospective Student Welcome (volunteer, 2 yrs)
- ✓ Center of Teaching and Learning (volunteer and mentor, 1 yr)
- ✓ ZU World of Work (volunteer, 2 yrs)

Research

Since he joined ZU in 2001, Dr. Tubaishat has authored and co-authored *one* text book, *eight* journal papers, and *twelve* conference papers:

- ✓ Collaborated in a project with a research group at my former Illinois Institute of Technology, USA, resulted in five publications
- ✓ Collaborated in a project with a research group at Ryerson University, Toronto, Canada, resulted in one publication
- ✓ Collaborated with four scholars from Zayed University, resulted in nine publications
- ✓ Collaborated with three scholars from Jordan, resulted in one textbook
- ✓ Collaborated with one scholar from HCT-Abu Dhabi, resulted in two publications
- ✓ Involved several college students in scholarly work
