

Publications

Refereed Articles

- Marir, F. (pending, 2015). A new approach for designing knowledge management systems for construction projects. *Interdisciplinary Journal of Information, Knowledge, and Management*.
- Marir, F. and Gaga Thomas (pending, 2015) Developing a Knowledge Management framework for the Postal sector, *Interdisciplinary Journal of Information, Knowledge, and Management*.
- Munir Majdalawieh, Farhi Marir, Issam Tiemsani, Ahmed Al-Dawoody (pending, 2015) Developing Adaptive Islamic Law Business Processes Models for Islamic Finance and Banking by Text Mining the Holy Qur'an and Hadith. *International Journal of Business and Social Science*
- Marir, F. and Bentercia Rahima (accepted, 2015) Extracting Semantic Relations from the holy Quran Based on Arabic Conjunctive Patterns, *International Journal of Computational Linguistics (IJCL)*
- F.H. Zaidi, S., Marir, F., & Siva, S. (2013). E-Government Trust Framework: A comprehensive Comparison Measurements. *Review of Business Research*, 6 (1), 161-166.
- Rashidi, A., Gilchrist, B., & Marir, F. (2008). An investigation of international journal usage by Iranian medical researchers. *LIBRES Journal*, 18 (2), 17.
- Kamel, K. & Marir, F. (2006). A Dynamic Weight Assignment Approach For Index Terms and Rhetorical Relations. *Journal of Computer Science*, 2 (3), 261-268, doi: 10.3844/jcssp.2013.1427.1434.
- Kamel, H. & Marir, F. (2006). A Dynamic Weight Assignment Approach for Index Terms. *Journal of Computer Science*, 2 (3), 261-268.
- Marir, F., Rezgui, F., & Benhadj-Djilali, R. (2000). A Case-Based Expert System for Construction Project Process Activity Specifications. *International Journal in Construction Information Technology*, 8 (1), 53-73.
- Zantout, H. & Marir, F. (1999). Document Management Systems From Current Capabilities Towards Intelligent Information Retrieval: An Overview'. *The International Journal of Information Management*, 19 (6), 471-484.
- Marir, F., Aouad, G., & Cooper, G. (1998). OsconCAD: A Model-Based CAD system integrated with computer based applications. *Electronic Journal of Information Technology in Construction*, 3, 25-44.
- Marir, F. & Watson, I. (1994). A Categorised Bibliography of Case-Based Reasoning'. *The Knowledge of Engineering Review*, 9 (4), 355-381.
- Watson, I. & Marir, F. (1994). Case-Based Reasoning: An Overview'. *The Knowledge of Engineering Review*.

Book Chapters

- Marir, F. & Ndeta, J. (2010). Workflow Design Patterns for Developing and Maintaining e-Business Workflow Systems.. *2010 BPM and Workflow Handbook: Spotlight on Business Intelligence* (pp. 232-246).
- Marir, F. & Houam, K. (2002). A Case-Based Reasoning Tool for Business Process Redesign. *Enterprise Information Systems, Kluwer Book 2002 -Best paper ICEIS2002* (pp. 334-351).
- Marir, F. (2002). RSTIndex: Indexing and retrieving web documents using computational and linguistic techniques. *Lecture Notes in Computer Science Volume 2412* (pp. 135-40). Springer Verlag, Berlin.
- Marir, F. (2002). A Conceptual Model for Surveillance Video content and Event-Based Indexing and Retrieval. *Lecture Notes in Computer Science. Springer Verlag. Vol. 2329* (pp. 41-50). Springer.
- Marir, F. (1995). Representing and indexing building refurbishment cases for multiple retrieval of adaptable pieces of cases.. *Lecture Notes in Artificial Intelligence: Case- Based Reasoning Research and Development*. (pp. 55-66). Springer.
- Marir, F. (1995). Can CBR imitates human intelligence and are such systems easy to design and maintain?. *Progress in Case-Based Reasoning. Salford: Springer Verlag, LNAI 1020*. Springer.

Refereed International Conferences & Proceedings

- Alhadidi, D., Maamar, Z., and Marir, F. (2014). Social learning on the move --A research roadmap. *International Conference on Web and Open Access to Learning (ICWOAL)*.
- Marir, F., Said, H., & Alalami, U. (2014). Mining the Web and Medline Medical Records to Discover New Facts on Diabetes. *14th International Conference on Hybrid Intelligent Systems (HIS 2014)*.
- Malledw, W., Marir, F., & Vassilev, V. (2013). Algorithms for mapping RDB Schema to RDF for Facilitating Access to Deep Web. *The First International Conference on Building and Exploring Web Based Environments; WEB 2013*, 32-41.
- Ali Thomas, G., Marir, F., Romas, M., & Prreti, P. (2013). A Framework for Designing Knowledge Management Systems- Aggregating the Existing Approaches. *The Fifth International Conference on Information, Process, and Knowledge Management*.
- Faizan, S., Marir, F., & Siva, S. (2013). Assessing e-Government Service Delivery: Government to Citizen. *The Seventh International Conference on Digital Society ICDS 2013*.

- Marir, F. (2013). eRaUI: An adaptive interface for e-Research tools. *The First International Conference on Building and Exploring Web Based Environments, WEB 2013*.
- Marir, F. & Ndata, J. (2013). Knowledge Enhanced Framework for designing e-Workflow Systems. *The Fifth International Conference on Advances in Databases, Knowledge, and Data Applications*, pp143-149.
- Zaidi, S., Marir, F., & Siva, S. (2012). E-Government Trust Framework: A comprehensive Comparison Measurements. *Review of Business and Technology Research*.
- Wondu, M. & Marir, F. (2012). Mapping Space Project Management Application to Semantic Web Using Jena Adapter for Oracle. *8th International Workshop on Semantic Web Enabled Software Engineering*.
- Marir, F. (2012). Description Logic for Content-Based Indexing and Retrieval of Video Surveillance. *The International Conference On Computing, Networking and Digital Technology (ICCNDT 2012)*.
- Marir, F. (2012). Case-Based Reasoning for an adaptive Web User Interface. *The International Conference On Computing, Networking and Digital Technology (ICCNDT 2012)*.
- Marir, F. & Ghassan, A. (2012). An Enhanced VR Interface for Ontology-Based Integrated Construction. *The International Conference On Computing, Networking and Digital Technology (ICCNDT 2012)*.
- Marir, F. & Ndata, J. (2010). A Knowledge enhanced framework for the design of e-workflow systems. *11th European Conference on Knowledge Management*, Famalicão, Portugal.
- Abdella, H., Tounsi, M., & Marir, F. (2008). Using a Greedy-Based Approach for Solving Data Allocation Problem in a Distributed Environment. *Proceedings of the 2008 International Conference on Parallel and Distributed Processing Techniques and Applications*. 975-980.
- AlFarees, M. Y., Abdalla, H. I., & Marir, F. (2007). Vertical Partitioning for Database Design: A Grouping Algorithm. *16th International Conference on Software Engineering and Data Engineering*, 218-223.
- Abdalla, H. I., Abuelyaman, E., & Marir, F. (2007). A Static Attribute-Based Partitioning Algorithm for Vertical Fragmentation in DDBs. *Proceedings of the 2007 International Conference on Parallel and Distributed Processing Techniques and Applications, 2*, 1017-1022.
- Benzid, R., Marir, F., & Bouguechal, N. (2007). Electrocardiogram Compression Method Based on the Adaptive Wavelet Coefficients Quantization Combined to a Modified Two-Role Encoder. *IEEE Signal Processing Letters*, 14 (6), 373-376.
- Marir, F. (2007). An Enhanced Grouping Algorithm for Vertical Partitioning Problem in DDBs. *22nd International Symposium on Computer and Information Sciences*, 7-9.
- Ndata, J., Marir, F., & Choudhury, I. (2006). Knowledge enhanced e-Workflow modelling – A pattern-based approach for the development of Internet workflow systems. *Proceeding of the 7th European Conference on Knowledge Management at Corvinus University of Budapest*.
- Hassan Abdallah, H. & Marir, F. (2006). Algorithms for Physical Data Warehouse Design to Speed up Decision-making Processes. *Proceedings of the 18th NCC, Riyadh, Saudi Arabia*.
- Abdalla, Hassan I. I. & Marir, F. (2006). Vertical partitioning impact on performance and manageability of distributed database systems: A Comparative study of some vertical partitioning algorithms. *Proceedings of the 18th NCC, Riyadh, Saudi Arabia*, 85 - 92.
- Kanana, Ezekiel, K. & Marir, F. (2006). *Object oriented techniques for managing triggers in active database systems*. The 2006 International Conference on Data Mining, Las Vegas, United States of America.
- Kanana, E. & Marir, F. (2005). An Integrated Decision Support Tool for EU Policies on Health, Transport and Artistic Heritage Recovery. International Conference on Enterprise Information Systems (ICEIS), Miami, USA, United States of America.
- Marir, F. & Salima, M. (2004). An Adapted Framework and Case-based Reasoning for Business Process Redesign. *Proceedings of the 2nd International Conference Information Technology: Research and Education*, 179 - 183.
- Marir, F. (2004). Monitoring Information and Data Flows Using Triggers in a Dynamic Workflow Environment. *Proceedings of the 5th European Conference on Knowledge Management*, 325-330.
- Kanana, E. & Marir, F. (2004). Monitoring Information and Data Flows Using Triggers in a Dynamic Workflow Environment. *in proceeding of: Information Technology: Research and Education*, 175 - 178.
- Zerzour, K. & Marir, F. (2004). Object-Orientation and Description Logics Techniques for Implementing the Indexing and Retrieval of Surveillance Video Content. *Proceedings of the 2nd International Conference Information Technology: Research and Education (ITRE 2004)*, 165 - 169.
- Marir, F. (2004). Rhetorical Structure Theory for content-based indexing and retrieval of Web documents. *Proceedings of the 2nd International Conference Information Technology: Research and Education (ITRE 2004)*, 160 -164.
- Houam, K. & Marir, F. (2003). *Semantic Indexing and Retrieving Web Document using Rhetorical Structure Theory*. Fourth International Conference on Intelligent Data Engineering and Automated Learning (IDEAL'03), Hong Kong, China.
