## Risk and Advising Alerts

This section shows the list of alerts generated by the ARM system that indicates that you may be at-risk in your academic performance and may require special attention by your advisors in order to help you achieve your academic goals.

To view your list of alerts:

From the ARM home page, click on Alerts menu.

In the search filter, choose the term and other information if interested like the specific type of alerts, and then click GO.

In the search result list, you can click on the Details button for more information.
