- ❖ The tuition fees should be paid within 5 working days from the start date of each term. Failing to do so will place a student's account on financial hold.
- ❖ If a student request admission deferment after having paid the registration fee, a non-refundable deferred admission fee of AED 5,000 will be applied. The payment will be credited towards tuition charges in a student's account upon his/her first enrolment in the program, however the fee amount is non-refundable if a student withdraws from Zayed University.
- ❖ Online payment, bank transfer and cash are accepted. Postdated cheques are not accepted.
- ❖ The course fees indicated in the payment plan table are exclusive of scholarships. The scholarship amount will reflect in a student's account once a student had been granted a scholarship upon regular admission to a graduate program.
- ❖ The payment plan is a sample. Any changes in course registration credits will affect the term's charge amount and graduation date.
- ❖ Contact the Financial Services Department if you would like to arrange the following payment installments rather than this tuition fee payment plan:
