MASTER OF LEGAL AND JUDICIAL STUDIES

Set yourself apart by successfully handling and dealing with judicial administration and affairs in public and private law

There is a growing need for highly trained legal professionals as lawyers, judges, assistant judges, and court-room prosecutors etc. in the UAE and other Gulf States. Increasing socio-economic and cultural complexities require skilled legal practitioners with an integrated and sophisticated understanding of the theories, concepts and practices of justice that determine the rule of law.

Professional Outcomes

The Master of Legal and Judicial Studies is a unique program that provides participants with the latest developments in the field of law and judicial administration to improve their skills and to equip them with the knowledge and competencies necessary for successful handling and dealing with judicial administration and affairs in public and private law.

Faculty

Program courses are taught by select professors from Zayed University who have earned doctorates, diverse international research experience, and superior teaching performance in graduate level programs.
