

All researchers wishing to conduct research involving human subjects must complete the required CITI online training modules. These modules provide researchers with an opportunity to improve their working knowledge of research integrity issues.

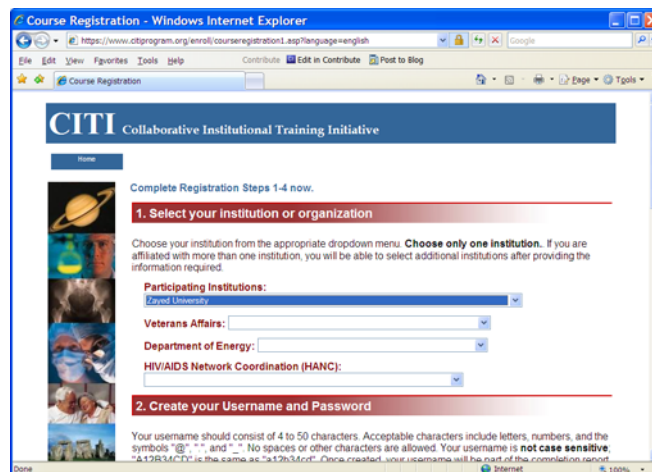

Successful completion of the nominated CITI modules will be a compulsory requirement for Principal Investigators submitting ethical clearance applications, and for all RIF Grant applicants from Fall 2011. The Office of Research will monitor the CITI site to track researchers' progress through the modules.

Registering is easy. Visit www.citiprogram.org and follow the prompts. Or follow the steps below:

1. Visit www.citiprogram.org
2. New users must create a CITI account – ‘New Users Register Here’

3. Select your institution or organization – select ‘Zayed University’ from the drop-down box (if you are already registered with CITI via another organization, please add ZU to your existing account)

4. Create your username and password
5. Enter your name and email address

6. In question 5, CME/CEU credits, click 'No' (unless you are researcher who requires CME points for accreditation)

Question 1 **Human Subjects Research**

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

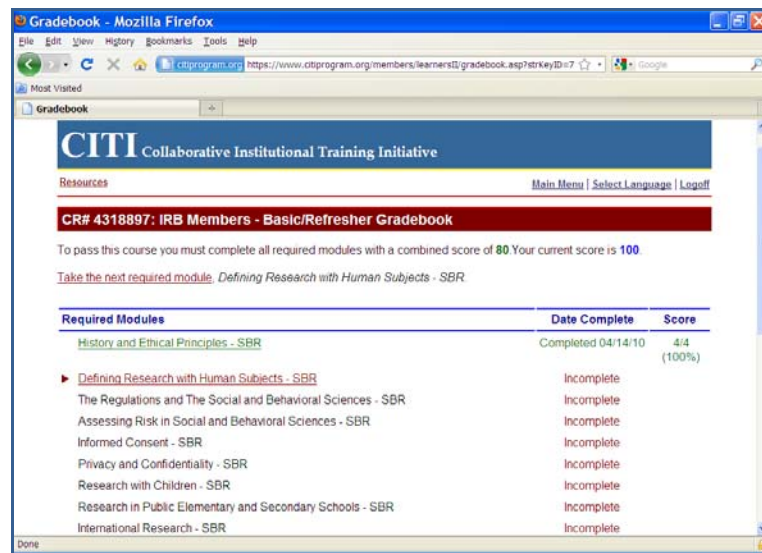

Choose one answer

- Social & Behavioral Research Investigators:** Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.
- IRB Members:** This Basic Course is appropriate for IRB or Ethics Committee members.
- Students conducting no more than minimal risk research**
- Research with data or laboratory specimens- ONLY:** No direct contact with human subjects.

10. From the Main Menu you may view the 'ZU Instructions Page' for more information about how to complete the modules. Or to start the modules, click 'Enter' under the 'My Courses' heading.

11. A list of required courses will appear. Complete the 'Integrity Assurance Statement' and then you are ready to begin the modules.

12. Once all the required modules have been completed, you will have the option to complete elective and optional modules.
